MOLTENI 1923  
SUR MESURE

A legend born in 1923. From simple beginnings Molteni soon became the range cooker of choice for great chefs who fell in love with the hand-crafted creations made in a small artisan workshop in Saint-Uze, France. Each bespoke stove was lovingly made with its own individual personality, its own soul and to fulfill the precise wishes of its new owner.

Tailor-made range cookers which still today grace the world's most renowned professional kitchens, on which the greatest chefs choose to give their most creative performance.

**Each Molteni tells a story,  
a story which is yours alone.**

# KNOBS

## 250 grams of heritage.

Every Molteni is built to give its user a taste of the incomparable luxury of owning something truly unique. Place your hand on the knobs, forged using knowledge and skills passed down through generations and crafted in a small local workshop, they are emblematic of the brand. Indestructible and indulgently tactile.

Each knob weighs 250 grams: a fragment of eternity.

# TOP

## Untouched by time.

Only the best will do. Molteni are as selective in their materials as the world's leading chefs are in their ingredients. Whether your preference lies with fine polished stainless steel, the top and side panels of your bespoke Molteni range cooker will last forever and never show its age. Should your dream kitchen boast an exclusive seafront location, then our marine grade stainless steel top (optional) can be left open to the elements, while you and your guests enjoy the view. Unlike any other stove, the everlastingly durable Molteni chassis is entirely built in AISI 304 stainless steel.

## MOLTENI DECOR FINISHING

The perfect material for professional kitchens, this supremely technological surface offers infinite possibilities to satisfy your needs. **Decor** is made using a process which is in essence an accelerated version of how nature produces stone.

Ultra high-performance, low-maintenance and outstandingly durable, **Decor** is non-porous, non-combustible and resistant to everything: scratches, abrasion, stains, heat, fire and UV.

**Decor** maintains the aesthetic beauty of natural stone while using the same raw materials as glass, the latest generation of porcelain and the highest quality quartz. 5 times stronger than granite, a single slab of **Decor** can measure up to 3200x1400mm.

Available in a variety of colours and effects, **Decor** provides the ultimate aesthetic and tactile experience with UltraGloss, UltraMatte and UltraTexture finishes.
