Tailor-made range cookers which still today grace the world's most renowned kitchens, adorn the most exclusive private residences and on which the greatest Michelin-starred chefs choose to give their most creative performance.

**Each Molteni tells a story,
a story which is yours alone.**

TOP AND SIDE PANELS MOLteni DECOR FINISHING

The perfect material for professional kitchens, this supremely technological surface offers infinite possibilities to satisfy your needs. **Decor** is made using a process which is in essence an accelerated version of how nature produces stone.

Ultra high-performance, low-maintenance and outstandingly durable, **Decor** is non-porous, non-combustible and resistant to everything: scratches, abrasion, stains, heat, fire and UV.

Decor maintains the aesthetic beauty of natural stone while using the same raw materials as glass, the latest generation of porcelain and the highest quality quartz. 5 times stronger than granite, a single slab of **Decor** can measure up to 3200x1400mm.

Available in a variety of colours and effects, **Decor** provides the ultimate aesthetic and tactile experience with UltraGloss, UltraMatte and UltraTexture finishes.

The Decor can have some limitations in the configurations. We recommend to apply Decor to neutral functions and food cold/hot maintenance functions. Ask more info to our Molteni experts.
